

# OID Water Resource Plan Documents Available

The Oakdale Irrigation District Board of Directors General Manager Steve Knell has announced that the OID Water Resource Plan, prepared by consultants CH2M Hill, are available for the public and may be picked up at the front counter of the OID offices.

One document is a six-page booklet summary of Phase

I of the WRP. In the second phase, the CEQA (California Environmental Quality Act) process will begin.

The other document is a half-inch thick spiral-bound summary report of the WRP containing more information about the plan and process. This summary report is also available on CD that is in a PDF format to be read from

the computer.

In other OID business recently taken by the board of directors, officers were named for the current term. Steve Webb will now serve as board president, taking over the reins from Frank Clark. Jack Alpers will serve as vice president of the board. GM Steve Knell and CFO Kathy Cook will continue to serve

as secretary and treasurer to the board, respectively. Board members Louis Brichetto and Tony Taro were not present at the Dec. 6 meeting for the vote.

The next regular meeting of the OID Board of Directors will take place on Tuesday, Dec. 20, at 9 a.m. in the board room located at 1205 East F Street.
